AFHP Default Grade *1 is 1'-9" below first floor subfloor for consistency in how we list height on the web site. The distance to grade is often more. Talk to your builder.

*3 Height for zoning may be measured from the grade at the front, the lowest grade or an average. Talk to your builder and/or governing officials.

Add to height dimension for actual distance to grade. Town rules vary and may require lowest grade. average grade or other criteria.
