**Subject:** Plan order

Hi Holly,

We have sold the home to be constructed at 1 Veterans Way, Exeter. I've attached the marketing plan of the Moira and have listed below a few minor changes to include please.

Since we are doing the foundation next door, it would be extremely helpful to do them both at the same time of course. That being said, I would love to get a foundation plan ASAP for permitting to at least get that in the ground with the other. Please let me know how soon I could expect that.

### Changes:

- Eliminate coat closet at entry
- Gas Fireplace (bumpout) between two living room windows
- Move stove to peninsula
- Show double bowl sink with window above where range is on the current plan
- Change tub to shower on first floor bath
- change swing of front door to the right
- Don't show shakes in gable on front (We want to change the look from being to similar to the Dara next door)

Thank you Holly!
